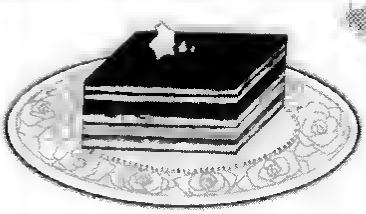
TRANSLATOR'S NOTES:

RIKA REFERS TO HERSELF AS "HOLLOW" BECAUSE SHE THINKS THAT HERSELF AS A MODEL IS EMPTY AND IS EASILY SNATCHED AWAY, WHICH IS WHAT HONAMI DID TO HER.

WELL, I THOUGHT THAT THIS PART WAS A BIT CONFUSING...

Welcome to Chocolat Noir

Chocolates that appeared in the story



Gateau Opera

A layered cake with a golden leaf on top

I imagined an opera singer, so the main character became a singer. I heard that the Gateau Opera cake used to be sold in an opera house in Paris.

Stick Chocolate

Chocolate shaped like a stick with a smooth layering.

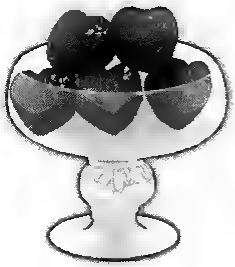
I thought that while in a dilemma of crossroads, we would need a walking stick to guide us, that's why I made it a "stick" chocolate.

み(みくりや)＝作者コメント

Fondant Chocolate

A chocolate cake with hot melted chocolate filling.

The first time I tried it, it was so hot I burned my tongue.



Caramel Praline

Chocolate with sticky caramel filling.

It's sticky like how negative characteristics stick onto us.

Framboise Chocolate

Chocolate with a delicious raspberry filling.

It's colour is very pretty,
just like the beauty girls yearn for.

HELLO, I'M MIZUHO RINO! THANK YOU FOR READING THIS MANGA ! TRUTHFULLY I WOULDN'T HAVE MUCH CONFIDENCE IN THIS WORK OF MINE IF MY EDITOR DIDN'T ALWAYS ENCOURAGE AND PUSH ME FORWARD.

From this manga, the most evil antagonist is Rumi. And the most disgusting, Shinagawa. The kindest protagonist is Abe Maria.

AND YOU

It's been almost a year since the first chapter was scanlated. My progress is very obvious >_< It's even a bit embarassing. And a big thank you to readers for supporting me even though I'm only the translator of this lovely series.

For this chapter I experimented with more fonts, but I was too lazy to translate the sound effects. I hope the flow of the story is better than last chapter's and the translation itself too. Personally this story didn't appeal to me much, so I wasn't very careful with edits and typos. Forgive me if you find one.

One volume is a long journey. The next might be even longer.

bear-hugs to everyone Tenshime <3
